Why you should purchase a DRV over other brands of 5th Wheel Campers

- 1) When purchasing a DRV you get more standard equipment for your dollar.
- 2) DRV is the top Manufacturer of Fifth Wheels
- 3) DRV's hold resale value better than other brands
- 4) DRV's have the best warranty there is to offer. Their warranty is for Full Time Living.

Salespeople will tell you that their brand of Fifth wheels is as good as a DRV but here are some reasons that is not true.
