

LANDMARK

THREE SIXTY FIVE

WHAT'S NEW?

We are pleased to introduce to our dealers the exciting product additions to our 2018 Landmark 365! The 2018 Model Year introductions represent our 15th year of building Landmark luxury fifth wheels from RVers to cherish and enjoy. We are passionate about being Heartland's flagship brand.

EXTERIOR:

- MOR/ryde "Zero G" entry steps
- Black and Copper full body paint choice
- Updated Landmark logo font
- Universal Docking Station upgrades, including water filter access
- Standard 3rd air conditioner for 45,000BTU of cooling power

INTERIOR:

- Improved theatre seating and sofas, both with power recline, heat and massage, USB and cup holders
- New and unique decorative main and accent wall panels
- Redesigned rear overhead cabinet with backlit layered center cabinet
- Satin nickel cabinet hardware with larger pulls & knobs, decorative faucet
- Buffet style dinette table with leaf, storage and support leg; dinette chairs with under-seat storage
- Residential window sill bottom trim in addition to mainstay privacy track side trim
- Updated hardwood slide out fascia with large center block, lit top blocks and stronger legs
- Backlit lattice-patterned island end piece with shelf
- Hardwood sofa end tables with USB and 110V outlets on front base for easy access
- Custom canvas print wall art installed on bath hall

BEDROOM:

- Upscale headboard with wave pattern and framed in LED lights
- MOR/ryde bed lift mechanism to incline bed for viewing TV/reading while adding 24" floor space
- New standard king bed with queen option (flipped from 2017)
- Unique residential bedding w/ 3 accent pillows and fitted comforter
- Adjustable brushed nickel reading lights for better focus towards books, tablets, etc.
- Deeper accessed shelving in front closets
- True "Walk-In" closet in Louisville, Newport and Arlington

FLOORPLAN:

Phoenix—our new elevated rear den. 430 square feet of near-perfect room separation, incredible exterior storage, and an enviable bedroom with 20" deep dresser and walk-in closet w/ the deeper shelves. Possibly the most complete front-to-back Landmark ever.
